I WANT TO HAVE A TON OF FUN THIS SUMMER!

I WANT A REAL ADVENTURE!
I WANT TO BE A PART OF SOMETHING GREAT!

WE WANT KIDVENTURE

SUMMER QUEST 2016

THE MISSION:

TO BOLDLY TAKE THE SUMMER BY STORM, TO CONQUER THE MUNDANE, TO DEFEAT THE ORDINARY, AND TO WIN THE DAY.

IN EACH OF US STIRS THE HERO. AWAKENED, NOTHING IS IMPOSSIBLE. THIS IS OUR QUEST!
Aquamanis

Let the powers of water and fun unite! Aquamanis is upon us. This adventure will feature games designed around water, events to test your sogginess, and the opportunity to get completely drenched!

DR. CHAOS & THE RIDDLE OF THE REVERSE

Doctor Chaos has taken control of camp from his lair! What was up is down. What was forwards is backwards. In this topsy-turvy adventure, superheroes must join forces to bring order to the universe and unravel the Riddle of the Reverse!

SLIMETROPOLIS

Great gobs of goo! Slime has overtaken our beloved city. The commissioner is calling for all the forces of good to master the muck, destroy the dirt, and triumph over the ooze. Are you ready, superhero? Then let’s go!

THE COSMIC CHRONICLES

From the deepest corners of space rises an adventure so thrilling and so out of this world, it's cosmic! Jump onboard and strap in, superheroes. This rocket ship is shifting to warp speed in search of a completely far-out week of fun.

RACE AGAINST TIME

Prepare for a quantum leap through time and space! Travel back to yesteryear and to the other side of tomorrow. This is a hero's journey beyond the clock and one for all the ages.
League of Extraordinary Campers

Kidventure Assemble! Only once each year do all the forces of good unite for one spectacular gathering of heroes! This is that time. Be bold and be brave. Be part of the extraordinary. Be part of the league.

Tales of the Enchanted Realm

Holy castles and kings! We’ve entered an enchanted realm where knights and dragons rule the day, where wizards make magic, princesses hold court, and fairies keep us spell-bound. In this realm, our greatest power will be imagination.

Summer Freeze

Great blocks of arctic ice! Summer has frozen over and the time has come to defeat the heat! Together we’ll unite for an ice-cold adventure and take a polar plunge into a snow-covered week designed to keep us way cool.

Superhero Academy

Welcome, cadets! Here at Superhero Academy, you will learn to harness your super powers, defend the defenseless, conquer evil, and train to be the superhero you were born to be. Initiate training sequence!

Captain KV & The Search for Water World

Captain KV needs your help! Alert all heroes as we take a dive into the depths of the sea. There, you will help Captain KV navigate through the blue and sift through the sands to uncover the mystery of Water World.

Tumbleweed Stampede

Whistling tornadoes! We’ve been blown smack dab into the wild, wild west and into an adventure destined to be a real rodeo. So grab yer’ boots, yer’ rope, and saddle up for a week packed with rip-roaring times.
Thank you for creating and maintaining a quality summer program. Words cannot express how much I appreciate you all! Thank you for allowing my son an opportunity to have fun but also to grow as a little person. You guys rock!

-Sasha

Grace and Noah had a blast at KV! This was our first experience with KV and it was a great one! The counselors were spectacular with all the children, I especially loved the “character” awards at the awards ceremony. Grace and Noah’s edifying traits were spot on!

We bring sports, adventure, and service together in a day camp setting like no other, while challenging teens to see how they can make a difference in the world around them. Weekly in-house activities include sports and athletics, camp games, and team building. LEADS brings campers on two trips each week, which include an adventure-based trip and a community service project trip.
